

Amendments to the Specification:

Please amend the specification of the above-referenced patent application by adding the following section titles. In the following instructions, the locations for the added section titles are indicated by paragraph numbers in accordance with the published version, namely Pub. No. US2005/0253685A1, of the application.

1. Following the title "ELECTRONIC LABEL ANTENNA," and preceding paragraph no. [0001], please insert the section title:

BACKGROUND OF THE INVENTION

2. Following paragraph no. [0005] and preceding paragraph no. [0006], please insert the section title:

BRIEF SUMMARY OF THE INVENTION.

3. Following paragraph no. [0025] and preceding paragraph no. [0026], please insert the section title:

BRIEF DESCRIPTION OF THE DRAWINGS

4. Following paragraph no. [0030] and preceding paragraph no. [0031], please insert the section title:

DETAILED DESCRIPTION OF THE INVENTION.

5. Following paragraph no. [0058] and preceding claim 1, please insert the section title:

CLAIMS
